Family Physician Health Services

Full-Time Permanent

1.0 EFT (40 hours per week) A smaller EFT could be accommodated depending on needs

HOURLS OF WORK: Primarily days with availability to work one evening a week (Includes on call rotation)

LOCATION: Klinic Community Health

START DATE: Date of Hire

Klinic Community Health, located at 167 Sherbrook Street Winnipeg, MB, is a pro-choice community health centre that provides primary care, education and counselling services to our local community and throughout Manitoba. Driven by our vision of creating healthy and engaged communities, we promote health and quality of life for people of every age, background, ethnicity, gender identity and socio-economic circumstances. Rooted in social justice values, we believe that everyone deserves quality care, support and respect.

Position Summary

Klinic community health physicians provide direct care to clients in Winnipeg, being seen for primary care, or to clients of our more specialized clinics, e.g. Gender Affirming Care, Addictions Treatment, STI, Pap. They may work with people of all ages, gender identities, sexual orientations, and ethnicities. Duties include diagnosing and treating diseases, physiological disorders and injuries of patients. You will act as the primary care provider and provide care toward the management of patient's health. Physicians at Klinic provide care at our family practice clinic and at times in other community settings. Physicians at Klinic work independently and as part of a team, recognizing the impact of social determinants of health to the wellbeing of people and providing care within this context.

QUALIFICATIONS:

- Must hold a Doctor of Medicine Degree
- Three years family practice experience preferred
- Interest and experience in community-based medicine
- Currently registered or eligible to be registered with the College of Physicians and Surgeons of Manitoba, CCFP, or able to be registered
- Opioid Agonist Therapy (OAT) prescribing capacity required or must be willing to obtain an OAT license at the earliest opportunity
- Current membership in the Canadian Medical Protective Association (CMPA)
- Demonstrated ability to work as a member of a team

- Excellent oral and written communication skills in English (additional language skills would be an asset)
- Pro-choice
- Able to communicate appropriately cross-culturally
- Job duties must be completed in English

RESPONSIBILITIES:
