## **SYSTEM NAVIGATOR PART-TIME TERM POSITION**

**0.5 EFT –20 Hours Per Week**

**Start Date:** Date of Hire

**Term Ending:** September 1, 2026 (with possibility of extension)

**HOURS OF WORK:** Days/Evenings/Weekends

Klinic Community Heath is a pro-choice community health centre that provides primary care, education and counselling services to our local community and throughout Manitoba. Driven by our vision of creating healthy and engaged communities, we promote health and quality of life for people of every age, background, ethnicity, gender identity and socio-economic circumstances. Rooted in social justice values, we believe that everyone deserves quality care, support and respect.

### **POSITION SUMMARY:**

The System Navigator for the Hummingbird program aids and supports individuals who have experienced sexual violence and/or intimate partner violence as well as their families and loved ones by: providing/supporting them with internal and external referral processes, resources and advocacy, and participation in individual case counselling and coordination as appropriate. The System Navigator works as a member of an interdisciplinary team identifying key partnership contacts to effectively and efficiently support people, and practice innovative approaches to service delivery within the broad determinants of health framework. Resources, supports and programming are person-centred and person led. The System Navigator within the Hummingbird program will support, participate and connect individuals to community based cultural programming and healing opportunities. Collaborating with community partners, the System Navigator will build relationships with partners in community to extend the circle of care available to people in their healing processes. The Systems Navigator will facilitate and support the Ogijiita Advisory Council within the Hummingbird team.

**This position is meant for individuals who identify as First Nations, Metis and/or Inuit.**

### **QUALIFICATIONS:**

- Undergraduate degree in the social sciences, graduate degree preferred
- Minimum two years supervised in person counselling experience
