Klinik Community Health is a pro-choice community health centre that provides primary care, education and counselling services to our local community and throughout Manitoba. Driven by our vision of creating healthy and engaged communities, we promote health and quality of life for people of every age, background, ethnicity, gender identity and socio-economic circumstances. Rooted in social justice values, we believe that everyone deserves quality care, support, and respect.

**POSITION SUMMARY**

As part of Klinik's Crisis Program, the Clinical Supervisor provides consultation and leadership grounded in social justice for staff and volunteers who support community members' mental health. The Clinical Supervisor helps ensure our crisis services reflect Klinik's values and the broader context of the social determinants of health. They work closely with fellow clinical supervisors and program management to provide quality supervision and guide staff and volunteers in self reflective practices of their work. A significant focus of this role is the clinical supervision and development of Klinik's Crisis Volunteers.

**QUALIFICATIONS**

- Graduate degree in a relevant discipline; undergraduate degree and relevant experience may be considered
- 5 years supervised clinical counselling experience
- 3 years clinical supervisory experience
- Training in clinical supervision
- Understanding of the role of professional self-reflection in the counselling process
- Comprehensive knowledge and clinical experience with the therapy models and interventions that best support crisis, short term and longer-term counselling
- Understanding of empowerment based, trauma-informed principles
- Comprehensive knowledge and clinical experience related to the following: risk assessment, crisis intervention, suicide prevention, trauma recovery, gender-based violence, sexual assault, mental health, substance use/addiction, harm reduction, suicide bereavement, and sexual exploitation
- Ability to contribute to a positive team culture
- Excellent interpersonal and communication skills (verbal and written)
- Awareness of and sensitivity to issues of diversity

- Demonstrated ability to effectively supervise and support volunteers
- Ability to learn and adapt to new computer programs

#### **RESPONSIBILITIES:**

- Works in collaboration with the Program Manager to ensure the delivery of high-quality clinical service to clients
- Provides individual and/or group clinical supervision based on staff/volunteer members' needs and goals
- Facilitates peer base clinical case consultation meetings
- Reviews audio or video recordings of client calls/sessions to provide feedback and to support staff/volunteers' learning goals
- Works together with staff/volunteers to provide information to Program Managers for Performance Reviews
- Recommends, provides and facilitates clinical skill development through ongoing education activities
- Supports the development of education and training materials across the organization by remaining current with best practices, research and innovations in counselling
- Plans regular clinical education sessions
- Contributes to the development of clinical procedures
- Supports the management of client complaints
- Provides clinical consultation to a variety of program areas, Klinik's Management Team and across the organization
- Advises the Management Team of sensitive or at-risk clinical issues
- Maintains knowledge of current community resources and sits on Klinik's Community Resource Committee
