

Testosterone Injection Education Sessions

Trans Health Klinik – 870 Portage Ave
Room B10 (Basement of Klinik)

Facilitators: Trans Health nursing and social work staff
Drop-In: No appointment necessary

**Sessions will be held from 3:00-4:30 p.m.
Offered September – June
on the first Friday of each month**

Sessions will cover: info on Testosterone and injecting skills, getting used to the equipment, coping with anxiety around injecting, useful handouts and resources. Participants may practice injecting on a fake surface, or do their own injections with support from nursing staff.

Just Care. *For Everyone.*
