

**NURSE PRACTITIONER
PART TIME TERM POSITION
0.5 EFT – 20 hours per week**

**Ata Chiminis Mikisiw (Eagle Embracing You) Program (0.4 EFT)
and Primary Care (0.1 EFT)**

Klinik Community Health is a pro-choice community health centre that provides primary care, education and counselling services to our local community and throughout Manitoba. Driven by our vision of creating healthy and engaged communities, we promote health and quality of life for people of every age, background, ethnicity, gender identity and socio-economic circumstances. Rooted in social justice values, we believe that everyone deserves quality care, support and respect.

Ata Chiminis Mikisiw (Eagle Embracing You) is a licensed 4-bed healing lodge that provides a voluntary and individualized support for Indigenous and non-Indigenous female identifying, two-spirited, or transgendered youth (ages 12-17) who have been sexually exploited, or are at risk of sexual exploitation. Eagle Embracing You has a multidisciplinary team that works to provide a culturally appropriate healing space centered around Indigenous values for youth struggling with complex issues such as life-threatening addictions, complex trauma, and mental health. Eagle Embracing You seeks to empower the lives of young people by walking alongside them through their journey while exercising guiding values of love, respect, honesty, truth, humility, wisdom, and courage.

Rachel Klassen Huebner, Manager of Clinical Health Services, Klinik Community Health Centre, 167 Sherbrook Street, Winnipeg, MB. R3C 2B7 Fax 772-7998 / e-mail: jobs@klinik.mb.ca

POSITION SUMMARY:

This position delivers comprehensive health care services to children and youth within the program presenting with psychiatric, mental health, substance use, sexual health, and general health concerns.

This position is responsible for holistic, evidence-based care while embracing a harm-reduction approach to care to ensure the highest quality of support to youth. This position provides assessments, diagnosis, a full range of health including sexual health services on-site (to the extent possible), therapeutic interventions, prescribes medications (when appropriate), initiates treatments including health care management, adheres to appropriate monitoring and evaluation, orders and interprets appropriate screening and diagnostic tests, completes appropriate referrals and consults, and develop/initiates health teachings and/or workshops.

QUALIFICATIONS:

- Minimum of 2 years experience in Community Health and/or Primary Health Care and/or Public Health and active registration in the College of Registered Nurses of Manitoba in the RN – Extended Practice Register
- Demonstrated ability to work independently and collaboratively as a member of a multi-disciplinary team
- Current CPR certification
- Valid drivers license, access to a vehicle may be required
- Knowledge of community resources
- Working knowledge of basic computer usage and Microsoft Office
- Demonstrated effective communication skills
- Experience in development and evaluation in Health Promotion and Education programs as asset

RESPONSIBILITIES:

Assessment

- Systematically obtains health histories, performs comprehensive health assessments and exams.
- Identifies health needs and risks, establishes urgency and establishes plan of care.

Diagnosis

- Orders, conducts and interprets diagnostic and relevant screening procedures.
- Synthesizes data from health history, physical exam and diagnostic tests to formulate appropriate differential medical diagnoses.

Clinical Management

- Manages common primary health care problems (acute minor illnesses and stable chronic conditions) within her/his scope of practice.
- Provides information, education, support and advocacy to clients.
- Follows current clinical practice guidelines.
- In collaboration with the patient and physician as needed, discusses and identifies appropriate management approaches, including prescriptive treatment, non-prescriptive therapies and minor invasive procedures.

Evaluation

- Identifies the need for care outside the scope of nurse practitioner practice and consults/ refers appropriately
- Evaluates, reassesses and modifies plan of care as necessary and provides appropriate follow up using home visits, telephone calls, appointments and referrals as necessary.

Program/Agency

- Attends staff meetings.
- Charts appropriately in accordance with Klinik policies.
- Fosters collaborative relationships with staff as is necessary to ensure an interdisciplinary approach to meeting health care needs.
- Networks with other health care providers and professional agencies to enhance quality of care. Acts as an agency or program representative as requested
- Assists in program development
- Records statistics as required.
- Assists with orientation, training and supervision of new staff and students.
- Performs surveillance of health indicators and evaluates the effects of clinical outcomes and selected interventions.
- Influences and contributes to the development of policies, protocols, education and research in the agency.
- Contributes to the professional advancement of RN - EPs and educates the public about the role of RN - EPs.
- Participates in training courses in order to maintain and improve quality of services.
- Promotes team, program functioning and integration
- Liaises with other service organizations and participates on external working groups/committees as required, conducts presentations promoting the program's services.
- Participate in formal self-evaluations by identifying strengths and limitations.
- Seek appropriate supervision of own actions.
- Performs other duties as may be assigned, not exceeding above stated qualifications.
