POLICY

Purpose: To describe the vision, mission and values of Klinic.

Policy:

Vision: Engaged and healthy communities

Mission: To offer primary health care, mental health care and community health services to enhance individual and community capacity

Values:

Klinic remains rooted in our core value of social justice for all, recognizing that there are diverse needs and experiences for people who are most impacted by discrimination and oppression that must be addressed.

We are committed to providing safe, quality, holistic care that is person-centred.

We value relationships – with our colleagues, with our clients and within our communities.

We value diversity and promote equity, inclusion and accessibility. We strive to ensure that our organization and our work reflects and honours the communities we serve.

On our path towards Truth and Reconciliation, Klinic will work to decolonize systems and practices with cultural humility.
