Klinik Community Health is a pro-choice community health centre that provides primary care, education and counselling services to our local community and throughout Manitoba. Driven by our vision of creating healthy and engaged communities, we promote health and quality of life for people of every age, background, ethnicity, gender identity and socio-economic circumstances. Rooted in social justice values, we believe that everyone deserves quality care, support and respect.

**POSITION SUMMARY**

This Nurse Practitioner role at Klinik on Campus delivers comprehensive health care services to students and staff at the University of Winnipeg. This includes the full-spectrum of primary care with a significant focus on mental and reproductive health. This position provides assessment, orders and interprets screening and diagnostic tests, makes diagnosis, provides therapeutic intervention, prescribes medication, and completes referrals and consults. The position is also responsible to support student and staff wellness through health promotion teaching and/or workshops. As the only on-site medical professional, a comfort with independent practice is important.

**QUALIFICATIONS:**

- Minimum of 2 years experience in Community Health and/or Primary Health Care and/or Public Health and active registration in the College of Registered Nurses of Manitoba in the RN – Extended Practice Register
- Demonstrated ability to work independently and collaboratively as a member of a multi-disciplinary team
- Current CPR certification
- Valid drivers license, access to a vehicle may be required
- Knowledge of community resources
- Working knowledge of basic computer usage and Microsoft Office
- Demonstrated effective communication skills
- Experience in development and evaluation in Health Promotion and Education programs as asset

## **RESPONSIBILITIES:**

### **Assessment**

- Systematically obtains health histories, performs comprehensive health assessments and exams.
- Identifies health needs and risks, establishes urgency and establishes plan of care.

### **Diagnosis**

- Orders, conducts and interprets diagnostic and relevant screening procedures.
- Synthesizes data from health history, physical exam and diagnostic tests to formulate appropriate differential medical diagnoses.

### **Clinical Management**

- Manages common primary health care problems (acute minor illnesses and stable chronic conditions) within her/his scope of practice.
- Provides information, education, support and advocacy to clients.
- Follows current clinical practice guidelines.
- In collaboration with the patient and physician as needed, discusses and identifies appropriate management approaches, including prescriptive treatment, non-prescriptive therapies and minor invasive procedures.

### **Evaluation**

- Identifies the need for care outside the scope of nurse practitioner practice and consults/ refers appropriately
- Evaluates, reassesses and modifies plan of care as necessary and provides appropriate follow up using home visits, telephone calls, appointments and referrals as necessary.

### **Program/Agency**

- Attends staff meetings.
- Charts appropriately in accordance with Klinik policies.
- Fosters collaborative relationships with Klinik staff as is necessary to ensure an interdisciplinary approach to meeting health care needs.
- Networks with other health care providers and professional agencies to enhance quality of care. Acts as an agency representative as requested
- Assists in program development
- Records statistics as required.
- Assists with orientation, training and supervision of new staff and students.
- Performs surveillance of health indicators and evaluates the effects of clinical outcomes and selected interventions.
- Influences and contributes to the development of policies, protocols, education and research in the agency.
- Contributes to the professional advancement of RN - EPs and educates the public about the role of RN - EPs.
- Participates in training courses in order to maintain and improve quality of services.

- Promotes team, program functioning and integration
- Liaises with other service organizations and participates on external working groups/committees as required, conducts presentations promoting Klinik's services.
- Participate in formal self-evaluations by identifying strengths and limitations.
- Seek appropriate supervision of own actions.
- Performs other duties as may be assigned, not exceeding above stated qualifications.

#### **APPLICATION PROCESS**
