- 5 years supervised clinical counselling experience
- 3 years clinical supervisory experience
- Training in clinical supervision
- Understanding of the role of professional self-reflection in the counselling process
- Comprehensive knowledge and clinical experience with the therapy models and interventions that best support crisis, short term and longer term counselling
- Understanding of empowerment based, trauma-informed principles
- Comprehensive knowledge and clinical experience related to the following: risk assessment, crisis intervention, suicide prevention, trauma recovery, gender-based violence, sexual assault, mental health, substance use/addiction, harm reduction, suicide bereavement, and sexual exploitation
- Ability to contribute to a positive team culture
- Excellent interpersonal and communication skills (verbal and written)
- Awareness of and sensitivity to issues of diversity
- Demonstrated ability to affectively supervise and support volunteers
- Ability to learn and adapt to new computer programs

RESPONSIBILITIES:

- Works in collaboration with the Program Manager and Director to ensure delivery of high quality clinical service to clients
- Provides individual and/or group clinical supervision based on staff/volunteer members' needs and goals
- Facilitates peer base clinical case consultation meetings
- Reviews audio or video recordings of client calls/sessions to provide feedback and to support staff/volunteers' learning goals
- Works together with staff/volunteers to provide information to Program Managers for Performance Reviews
- Recommends, provides and facilitates clinical skill development through ongoing education activities
- Supports the development of education and training materials across the organization by remaining current with best practices, research and innovations in counselling and social work
- Plans regular clinical education sessions
- Contributes to the development of clinical procedures
- Supports the management of client complaints
- Provides clinical consultation to a variety of program areas, Klinik's Management Team and across the organization
- Advises the Management Team of sensitive or at risk clinical issues
- Maintains knowledge of current community resources and sits on Klinik's Community Resource Committee

REQUIREMENTS
