Free Oral Health Screenings

Friday,
Mar 13
10:00AM

Dental Screenings:

Friday, March 13th **10:00AM**

167 Sherbrook St.

Klinik Community Health

What is an oral health screening?

We will check your teeth, gums, and mouth health

Why should you have a screening?

To make sure your mouth is healthy, and to get help if you need it

What will happen after my screening?

If you need dental help, we will refer you to one of the University of Manitoba dental clinics nearby for free or low-cost dental care

Speak with Klinik staff to sign up before March 13

or come see us on March 13!
